ABH GEAR Master GL4 140

ABH GEARMMASTER GL3-140 is specifically developed to provide maximum protection for gear systems and axles (differentials) operating under high pressure and extreme load conditions. This gear oil features high viscosity that ensures the lubricating film remains intact even under the toughest operating environments and high temperatures, effectively reducing metal-to-metal friction and protecting gears from wear and tear. With a GL3 140 viscosity grade, it delivers stable and quiet performance for the transmission system, preventing rust and oxidation, which guarantees a longer lifespan and continuous efficiency for your heavy machinery and vehicles.

TEST	Method	Result	Unit
Appearance	ASTM D 1524	Clear and Bright	
Color	ASTM D 1500	3.5	
SP.gr@15C	ASTM D 1298	0.880	
Flash Point	ASTM D 92	235	C.
Pour Point	ASTM D 97	-15	C.
Viscosity @40C	ASTM D 445	250	Cst
Viscosity @100C	ASTM D 445	28	Cst
Viscosity Index	ASTM D 2270	147
