ABH Hera API SL SAE 15W50

This "Multi-grade" oil has been developed with a premium formula designed to meet the rigorous demands of both modern and conventional gasoline engines. Powered by advanced "Active Cleansing Technology," it effectively removes deposits and impurities, maintaining the cleanliness of internal engine components and extending their operational lifespan. The 15W50 viscosity grade ensures excellent flow and a smooth start-up under various weather conditions, while maintaining a robust protective layer even at high temperatures.
