ABH TukTuk API SJ SAE 20W50

ABH TUK-TUK engine oil is specifically formulated to meet the unique demands of Tuk-Tuks and light transport vehicles operating under continuous and heavy-duty conditions. Featuring an advanced "High Performance Formula," this oil provides superior engine protection against wear and heat generated by prolonged operation in congested environments. The 20W50 viscosity grade ensures excellent viscosity stability and reduced oil consumption, helping to enhance engine efficiency and maintain peak performance for longer periods. It is the ideal solution to ensure smooth operation and protect your engine's core from deposits and impurities.

TEST	Method	Result	Unit
Appearance	ASTM D 1524	Clear and Bright
